ONI DECLASSIFICATION/RELEASE INSTRUCTIONS ON FILE

Rear Admiral Felix L. Johnson, USN
Director of Naval Intelligence
Department of the Navy
Washington 25, D.C.

Dear Felix:

My people have asked that I urge you to look into the possibility of giving us more prompt distribution of ONI intelligence materials. They tell me that the process of evaluating reports from overseas, and of getting them reproduced, now consumes so many weeks that the value of the information is largely lost by the time it is received.

ONI 25X1

ONI 25X1

We'd rather get the reports in unevaluated form, if that would save time, than to have them so late that they are of little value.

Sincerely,

Signed

R. H. MILLENKOETTER
Rear Admiral, USN
Director of Central Intelligence
